AS [REDACTED] AND [REDACTED] APPROACHED THE TWO DEPUTIES WHO WERE WITH AREVALO, [REDACTED] ASKED WHAT THE CIRCUMSTANCES WERE. ONE OF THE DEPUTIES ADVISED HIM THAT AREVALO HAD BEEN SHOT ONE TIME. MEANWHILE, THE OTHER DEPUTY WAS APPLYING DIRECT PRESSURE TO AREVALO'S RIGHT SHOULDER, IN AN EFFORT TO CONTROL THE BLEEDING FROM THE WOUND. THE IDENTITIES OF THE DEPUTIES WERE UNKNOWN TO [REDACTED].

[REDACTED] QUICKLY ASSESSED AREVALO'S PULSE AND BREATHING. AT THAT TIME, [REDACTED] NOTICED AREVALO HAD WHAT HE DESCRIBED AS, "DIMINISHED SOUNDS ON HIS RIGHT LUNG SIDE." **Interview with  
Francisco Arevalo  
Transient**

On 2-24-03, I went to the Ventura County Medical Center where I interviewed Francisco Arevalo regarding this case. Arevalo had been shot during this incident and was in the Intensive Care Unit of the hospital.

Arevalo was a Spanish speaker so I conducted my interview with him in Spanish. The interview was tape-recorded and the following is a synopsis. I later booked the audiotape as evidence.

I introduced myself to Arevalo who was awake when I walked into his room. I explained that I was a detective with the sheriff's department and told him that I wanted to talk to him about what happened the other night. I asked him if he wanted to speak with me. He said, "Yes."

I told him that I was aware the Ventura City Police came to the hospital and placed him under arrest. He said, "Yes." I told Arevalo that because he was arrested and was now under guard, I was going to advise him of his rights. I told

him that if for any reason he did not understand what I was telling him he could bring it to my attention and I would explain it further.

I advised Ar [redacted] of his Miranda Rights and asked him if he understood his rights. Ar [redacted] said he did understand his rights. I asked him if he had any questions about his rights. Ar [redacted] told me that he did not have any money for a lawyer, but either way he was going to answer whatever questions I had for him.

I told Ar [redacted] that we would appoint a lawyer for him if he did not have any money. I also told him that it was his right if he wanted to talk to me without a lawyer. I explained to Ar [redacted] that the reason I wanted to speak with him was to get his side of what happened. I told him that it was up to him if he wanted to talk to me. Ar [redacted] agreed to talk to me by saying, "I want to talk."

Francisco said he was 34 years of age and did not have a permanent address. He explained that he and his wife were separated and have been apart for the past seven months. He said his wife's name is [redacted] and they have three children together, [redacted], [redacted] and [redacted]. Francisco said [redacted] lives somewhere in Saticoy, but he does not know the exact address. He said he used to live with [redacted], but that her boyfriend now lives with her.

I asked Francisco if he could tell me how this entire incident started. He said that on Friday afternoon he spoke with [redacted] about picking up the children so he could take them out to eat. [redacted] asked him if he could pick up one of the children from baseball practice at a nearby park.

At this point Francisco just started making short statements to me about what happened after he went to pick up his children. The statements did not make sense to me until I later clarified the information he was giving me.

Francisco mentioned that E was going to pick up one of their children because he was not able to pick him up. He mentioned E was going to take some medicine to her boyfriend and that he (Francisco) was waiting outside for his children for about 20 minutes. After that he went inside and spoke to E about giving him the children. He said E's boyfriend looked at him in a bad way.

Francisco said he and E started to argue so they went outside. He said E started yelling at him so he walked to his car. E told him she would talk to him later. Francisco said only one of his children got in the car with him. He said they left and were going to get something to eat. Francisco mentioned someone called the police on him and that the police were saying he had a gun. Francisco said he did not have a gun.

I asked Francisco who said he had a gun. He said it was E but that he did not have a gun. Francisco said that when he left E his son, told him that E's boyfriend had purchased him a gun. Francisco said he found out that the gun was just an air gun.

Francisco said he went to take his son to McDonalds when two police officers saw him and put their lights on him. Francisco said he did not know what street he was on when this occurred. I determined the street Francisco was referring to

was Telegraph Road. He said he was going to the McDonalds located at the corner of Telegraph Road and Victoria Avenue.

Francisco said the police saw him and started to chase him. He said his son became scared so he decided to drive back to the store to see if his wife was still there. Francisco said he wanted to drop off his son with E [REDACTED] but she was gone when they returned.

Francisco said he decided to go to his mother in-law's house, but no one came out of the house when they got there. He then drove to E [REDACTED]'s house to drop off his son. Francisco said his son did not want to get out of the car, but he was able to convince him to get out. He said he did not know what happened to the air gun.

Francisco said he decided to go to his sister's house, but lost control of his car and crashed. Francisco said the police officers that were chasing him were telling him to drop the gun even though he did not have a gun. Francisco said he walked away and crossed the street towards the park. Francisco said he saw the police when he entered the park and a police officer told him to drop his gun. Francisco said he did not have a gun. He said a police officer approached him at close range and shot him.

At this point I began to question Francisco about his incident.

Francisco said he was planning on take all three of his children out to eat because he was going to be incarcerated on Tuesday.

Francisco said E [REDACTED] went home to change and to pick up their third child, J [REDACTED]. He and E [REDACTED] arranged to meet at the Ralph's store on Telephone Road to exchange the children. Francisco said he was not allowed near E [REDACTED] so they arranged to pick the children up at the store.

I asked him how they came to this arrangement. He said he and E [REDACTED] made the arrangements at the park. They had already arranged for Francisco to pick up Christopher at 5:15 PM, but E [REDACTED] arrived at the park and asked Francisco to also pick up Francisco Jr. at 6:30 PM. After exchanging dirty looks with [REDACTED] boyfriend, Francisco told [REDACTED] that he was leaving. He said [REDACTED] then yelled out that they had called the police and told them he had a gun. He told [REDACTED] he did not have anything and that he was leaving. He said [REDACTED] Jr. became upset and walked away. Francisco said [REDACTED] Jr. commented that he (Francisco) did not have anything so they got in the car and left.

Francisco said that as they drove away, [REDACTED] Jr. mentioned that one of his friends had given him a gun. I asked Francisco why [REDACTED] said he had the gun. He said [REDACTED] thinks he always carries a gun ever since the first incident. He said [REDACTED] also told a security guard at the store that he had a gun.

I asked Francisco if he spoke to the security guard. He said he did speak with the guard and told him he did not have anything. I asked him if he was carrying anything that would have made the guard think he was armed. Francisco said, "Nothing, nothing, the only thing I had was a bag that contained a window that they broke, it was a mirror." I asked him which mirror he was talking about and he described it being the rear view mirror.

Francisco said he had the mirror inside two bags. He said one of the bags was white and the other was black. I asked Francisco if he had the bag with him while he was speaking with the security guard. He said, "No." He said the bag containing the mirror was underneath the seat in his car. He said the security guard and anyone else there did not see anything, but [REDACTED] has it in her mind that he is always carrying a gun. He said [REDACTED] told the security guard that he had a gun which made the police officers also think he had a gun.

He said the security guard told him to leave and that the police had been notified and were on their way. Francisco said he decided to leave and was only going to take one of his children with him so they could eat.

I asked Francisco if he and [REDACTED] were standing outside arguing. He said [REDACTED] was the one who was telling him things he was doing in front of the children.

Francisco said he told [REDACTED] that she was the one who was not thinking of their children and that he was going to leave. He said [REDACTED] did not want him to leave so the police could catch him. Francisco said he told [REDACTED] to get out of the way because he was going to leave. He said his son, [REDACTED] Jr., became upset and started to cry. Francisco said [REDACTED] Jr. then got in the car with him.

Francisco started to tell me about his son, [REDACTED] Jr., and how he's had a lot of problems with him since he and [REDACTED] started to have their own problems. He said [REDACTED] Jr. has had his share of problems with the police. He said his son is associating with older people and is getting into trouble. He said that out of all his children, [REDACTED] Jr., is the one who loves him the most.

Francisco told me about an incident that happened sometime ago. He said [REDACTED] Jr. told him that a 17-year-old friend had given him a real gun to hold for him. He said he did not know whether the gun was real or fake and complained that [REDACTED] did not pay attention to the children.

Francisco said [REDACTED] gave him a dirty look and then said something to him in English. He said he did not know what [REDACTED] said to him because he did not understand. Francisco said that was when he told [REDACTED] to come outside so they could talk with each other.

Francisco said he heard that [REDACTED] was saying bad things about his children and wanted to ask him why he was saying those things. I asked Francisco if he and [REDACTED] Jr. left the location together. He said, "Yes." I asked him what happened to [REDACTED] who was already in his car. He said [REDACTED] got out of the car and stayed with [REDACTED].

I then questioned him about the two police officers that he said saw him leaving the store. Francisco explained that he drove towards Saticoy after leaving the store. He said [REDACTED] Jr. told him that "they" had purchased him a gun as they were driving. Francisco told his son that he wanted to see the gun to check if it was a real gun. He said his son had the gun tucked in the left front waistband.

Francisco said the gun was not real because it was just an air gun. I asked Francisco how he knew the gun was an air gun. Francisco said his son told him it was an air gun. He also said he did not hold the gun and did not know for sure if it was chrome or black because it was dark inside his car. I asked Francisco what his son did with the air gun after he showed it to him. He said he did not know what happened to the gun. McDonalds. He then told me he was near Wells Road when the officers saw him. Francisco said that he thinks his car was already reported to the police.

He described one of the police officers as being in a marked patrol car and the other in a black car. I questioned him about the lights he said the police officers "put on him" and whether the lights were red or clear. Francisco said he did not know because he was not paying attention and could not remember.

He said the police were following him so he decided to go back to the store to drop his son off with [REDACTED] but his son did not want to leave his side. Francisco said [REDACTED]'s car was not in the parking lot so he decided to drive to his son's grandmother's house in Saticoy. He said they drove to the house, but no one came outside. He then drove him to [REDACTED]'s house.

I asked Francisco if the police also had their sirens on. He said, "Yes." I asked Francisco why he did not stop. Francisco said his son was scared. Francisco said his son did not want to get out of the car when they arrived at [REDACTED]'s house. He said his son was crying and hugging him and saying, "Daddy, I want to go with you...I want to be with you." Francisco said he told him son, "No,"

I asked Francisco if the police were still chasing him. He said, "Yes." I asked him if the police still had their lights and sirens on. He said, "Yes." Francisco said he drove away and had traveled about one block when he lost control of his car and stopped. I asked him what the police told him when he stopped. Francisco said he did not listen to the officers and walked away. I asked Francisco why he just did not drop to the ground. He said he did not know why. I asked him what he was thinking. I asked Francisco what case he was referring to. He explained that about 7 months ago he found his wife, [REDACTED] with another man in his house. He said he threw her out of the house. Francisco said he had a gun in the house, but decided against using it on [REDACTED]. He said he told [REDACTED] to leave before he did something with the gun. Francisco said [REDACTED] told him she was not afraid of him. He said [REDACTED] ended up leaving for about five days. He said [REDACTED] took him to court and he was ordered to leave the house so [REDACTED] could come back home.

I asked Francisco if he remembered the police officer from that particular case and whether he knew his name. He said he did remember the officer, but not his name. Francisco said [REDACTED] spoke to the officer and told him he had "something" on his key chain. He then said the officer came to the house to check for a gun. Francisco said the officer did not find the gun because he did not have it at that time.

Francisco said that on the day he was ordered to leave his house, [REDACTED] came to the house and began yelling and telling him to leave. Francisco said he got ready to leave and went to the refrigerator and retrieved his gun he kept there. He said he took the gun from the refrigerator and placed it in his front waistband.

Francisco said [REDACTED] became scared when she saw the gun and tried to take it away from him. Francisco said the gun was unloaded and he pulled it away from [REDACTED]. He said [REDACTED] sustained a laceration to her hand when he pulled it away from her and left the house. Francisco said the same police officer who shot him, had gone to his brother's house looking for him.

later told him she yelled at the police officer and told him, "You see, what if he would have killed me!....He was armed with a gun and you were not able to find it." Francisco said the officer was very upset with him because of that incident.

I asked Francisco if he had spoken to this officer before. He said he only spoke to the officer on the day he came to search for the gun. I asked Francisco what he ended up doing with the gun. He said he dumped the gun somewhere along the freeway after the incident with [redacted] in which she was injured. Francisco told me that [redacted]'s father, [redacted] [redacted], has threatened to kill him over the things he did to [redacted]. I asked Francisco where he was planning on going after he entered Saticoy Park. He said he did not know and had no idea where he was going to go. He said his sister was not at home so he did not have anyone who could tell him what to do. I asked him if he had any idea why the police were chasing him. Francisco then commented that the police came by his hospital room and told him they were going to arrest him for threatening [REDACTED]'s boyfriend. He said it made him laugh. Francisco told me that he had never threatened [REDACTED]'s boyfriend. He said they also arrested him for child endangerment, but said, "He was fine." Francisco then said it did not look like a gun and asked me if it looked like a gun. I told him I did not look at the item and asked him about it. He said it was like a rear view mirror. I asked him if it was long and he said it was the one you used to look back. I asked him why he had the mirror in the bag. He said he was planning on taping the mirror to the windshield. I asked Francisco if he grabbed the bag from underneath the seat after he got out of the car. He said the mirror was no longer under the seat, but off to one side. I asked Francisco why out of all the things in his car would he grab and take the mirror with him. He said, "It was the only thing there...I don't know...I don't know what I was thinking."

I asked Francisco what he was going to do with the mirror. He said he did not know. I asked him again why out of all of the things in his car would he grab the bag containing the mirror. He said it was the only thing in his car. I told him there were many other things in his car. He agreed with me and told me he had work tools, and hammers. I asked Francisco again if he knew why he took the mirror with him or what he was going to do with it. He said, "No."

I reminded Francisco that he commented how the officer who shot him was wearing a black uniform. He said, "Yes." I asked him if the officer was wearing a badge or star on his left chest. He said he did not know. He said he just turned around and saw that it was, "black." I showed him my badge and asked him if the officer's badge looked like mine or whether it was larger. He said he did not know. Francisco did say that the officer's uniform was blue and the officer was dark skinned. I asked Francisco if the officer's uniform had shoulder patches. He said he thought it did, but he was not sure.

I asked Francisco why he just did not lay down on the ground at that point. He said he did not know. I asked him what he was planning on doing when he turned to face the officer. Francisco said he could not run anymore because he had injured his leg jumping over the fence. He said the officer was by himself and several officers arrived shortly afterwards. I asked Francisco if he pointed or brought the mirror up at the officer. He said, "No" and added that he did not know what he was going to do with the mirror. He said he did not point anything at the officer.

I asked Francisco if he mentioned to [REDACTED] or his son that he was not going back to prison and would shoot any officer that stopped him. Francisco denied ever saying that. He said that all he wanted was to have things back to the way they were. He said he just wanted to pay for the error he committed that was why he was scheduled to serve six months in jail and three years of probation.

I asked him why he went to jail. He said it was for the domestic incident between he and [REDACTED]. He then told me that his son, [REDACTED] Jr., wanted to stay with him. He said he explained to his son that the courts would not allow that because of the domestic incident. He also said [REDACTED] Jr. is having a lot of problems at school and that [REDACTED] Jr. opens up more to him than [REDACTED].

Francisco said his son is upset with [REDACTED] because of the way she deceived him (Francisco). Francisco said he has worked for the past 13 years and that [REDACTED] started working at the store about one year ago. He said that was how she met her boyfriend. He said he has always been a good father and that all his children knew that.

I went back to the point when the police officers first tried to stop Francisco while he was on his way to McDonalds. I asked Francisco what he was thinking when the officer turned their lights on him. He said he thought the police were already out looking for him because of the incident with [REDACTED]. He said he had planned on going to "Jack In the Box" located in Saticoy, but his son wanted to eat at McDonalds. He said that if they had gone to Jack In The Box, none of this would have happened to him. Francisco said they were planning on going to his brother's house in Oxnard after they ate.

I asked Francisco if he accelerated his vehicle after the police turned their lights on him. He said he continued traveling at the same speed except that he just did not stop for the police. I asked him why he did not stop. He said he was afraid the police would shoot him because [REDACTED] told them he had a gun. He said he was afraid his son might get injured if that happened.

I asked him why he thought the police were going to shoot him if he or his son did not have a gun. He said, "You just don't know." He added that the police already had it in their minds that he had a gun. He wondered what would happen if the police fired at them as they got out of the car. Francisco commented that he knows how the police are and their lives come first before anyone else's.

Francisco said he first stopped at the Ralph's store on Telephone Road to see if [REDACTED] was there so he could drop off his son. I asked him if the police officers were still pursuing him. He said, "Yes, they were following me." I asked him if the police still had their lights and sirens on. He said, "Yes."

Francisco said he stopped in front of the store for a short time looking for [REDACTED]'s car, but it was no longer there. He then drove out of the parking lot and drove to Nardo Street in Saticoy. Francisco said he drove to his son's grandmother's house to drop his son off there, but his son would not get out of the car. He then drove to [REDACTED]'s house and told his son to get out.

I asked Francisco if the police were still behind him. He said, "Yes." I asked him if he knew how many police cars were behind him. He said there was a sufficient amount. I asked him if there was more than two or three. He said there were more than three. He said the police had everything surrounded. I asked him why he did not just stop. He said he was only one block away from his sister's house, but he crashed his car near the alley before he could get to her house. He said his sister is named [REDACTED] and her house is located along the north side of the alley.

I asked Francisco if the police officers told him to get on the ground and to drop the gun once he got out of the car. He said, "Yes." I asked him why he just did not get on the ground. Francisco said, "I don't know...I just went walking." I asked him if he thought he was going to escape. He said, "No, when can I escape." I told Francisco that I was just wondering why he just did not get on the ground. I also told him that I did not know what he could have been thinking at that point. He said all he wanted to do was to speak with his sister. He said he just wanted someone to talk to him and give him advice as to what to do.

I asked Francisco if he ran or walked away from his car. He said he just walked away and went down about half a block. I asked him if the police were still yelling at him. He said, "Yes." Francisco said he wondered when the police were going to shoot him. He said the bystanders that knew him were crying and telling him to get on the ground because they (police) were going to kill him.

I asked Francisco if he was scared. He said, "No." He said he was not scared because if they were going to kill him then it was his turn. I asked Francisco if that was when he jumped the fence. He said, "Yes." He said after he jumped the fence he ran for a short distance and went to the next street.

I asked Francisco if he walked out to Violeta Street from his sister's house. He said he did and from that point he went to the park. I asked him if he jumped over a second fence before he got to the park. He said he did jump over another fence and said it was much taller than the first one. He said he injured his leg when he landed on the other side of the second fence.

Francisco said he jumped the second fence into the park and that was when he first saw the police officer he recognized from before. He said he did see a patrol car parked in the parking lot, but did not remember if the officer came from the car or a different location. I asked him if it was a police car or sheriff's car. He said he did not know. I asked him about the color of the car and he said he could not remember. He said the lights to the car were turned off.

Francisco said the officer chased after him on foot. He said he realized who the officer was after he had stopped running and turned around to face the officer. I

asked him why he did not give himself up. He said he ran towards the direction of the lights because he wanted everyone to see what was going to happen to him. I asked him how many times the officer fired. He said he only heard one shot.

Francisco said he was choking and unable to breath after he was shot. He remembers the officers getting on top of him and handcuffing him. I asked Francisco what he was wearing that night. He said he was wearing a black jacket, white shirt, black pants and black shoes.

Francisco said after he was handcuffed the officers asked if he was shot. He said the officers also told him not to move. He said someone cut away his jacket. I asked Francisco if the officer who shot him said anything to him after he fired. He said he did not remember.

I asked him about the bag he was carrying and the manner he carried it. He said the bag was a grocery type bag and could not remember which hand he was holding it in. I asked him if it had handles and he said, "No." He said the bag was tied up. I asked Francisco what he was going to do with the bag. He said he didn't know.

At this point of the interview, I excused myself from the room and told Francisco that I would be right back. I turned off the recorder as I left the room. I returned a few minutes later and activated my recorder. I then continued with the interview.

I asked Francisco who gave his son the air gun. He said his son did not want to tell him. I asked Francisco if he held the gun. He said, "No." I asked him if he

knew whether the gun looked like a semi-auto or revolver. He said he did not know because he did not hold it. I asked him what the gun looked like when he first saw it. He said it looked like a semi-auto. He said his son pulled the trigger and he heard the sound of air coming from the gun.

I asked Francisco if he pointed anything at the security guard while he was at Ralph's. He said, "No." I asked him if there was any reason the security guard said he pointed something in his direction. Francisco denied ever doing anything to the security guard.

I asked Francisco if he ever mentioned to [REDACTED] or his son that he wanted the police to kill him. He said, "No." He said the only thing he told his son was to get out of the car because the police might kill him. I asked Francisco if he was so upset over the situation with [REDACTED] and her boyfriend that he wanted someone to kill him. He said he was not planning on killing himself because he was thinking of his children. He said if it was not for them he might have killed himself a long time ago. He denied wanting to kill himself or trying to get the police to shoot him in a suicide attempt. He said he wanted to live for his children.

I asked Francisco about the position of his hands. He said he could not remember where he had his hands and whether he brought them up in front of him. He said he didn't remember what he did with his hands, but he was sure he did not point anything at anyone.

I asked Francisco again if he knew why he brought the mirror with him. He said he did not know. I asked him why he did not just get on the ground after he

crashed. He said he wanted to go to his sister's house. I asked him what he thought his sister was going to tell him. He said he was not sure, but figured his sister would turn him in. I asked him why he just did not turn himself in. He said he was scared they were going to kill him.

Francisco said he was also afraid that his son might be watching this incident unfold. I asked him if he was afraid the police officer were going to kill him. He said, "Yes." This is a contradiction of what he told me earlier in the interview when he told me he was not afraid of being killed. Francisco said he thought the police had orders to shoot him because [REDACTED] told them that he always used a gun.

I asked him if the police had ever taken any guns from him. He said "Never." He said he has never threatened anyone with a gun. He said it was all lies when they said he followed them with a gun. I asked him who had stated that. Francisco said it was [REDACTED] and her boyfriend, [REDACTED]. He told me that one time he saw [REDACTED] and [REDACTED] leaving his house and [REDACTED] was wearing his clean clothes. Francisco said that if he had a gun at that time he would have killed [REDACTED]. He said if he had a gun he would have killed them both.

He said this incident occurred shortly after he was released from jail. I asked him if this was when he found out that [REDACTED] was with another man. He said he already knew [REDACTED] was with [REDACTED] because he had caught them before then. He said this time he followed them as they left. He said they called the police and told them he had brandished a gun at them. He again commented that if he had a gun he would have killed both of them right there and then. I asked Francisco if

██████████ had ever threatened him. He said, "No." I then asked him if he had ever threatened ██████████. He again said, "No."

Francisco then told me that ██████████ once tried to commit suicide. He explained ██████████ is married to another woman. He said one day he received a telephone call from ██████████ after she found out that ██████████ was with his wife. Francisco said Eva sounded like she had been drinking and asked to borrow his gun so she could shoot herself. He thinks it occurred around July 2002.

Francisco then began to tell me that his children don't talk to him about what happens at the house because ██████████ and ██████████ threaten that Francisco would kill them if they said anything. He went on to tell me that ██████████ b ██████████ tells him everything and the type of things that occur in their house. Francisco also said there is an active restraining order against him. He said ██████████ calls him and tells him when and where he could pick the kids up.

I asked Francisco if there was anything he could have done to avoid the outcome of this incident. He said if he had not gone in the store none of this would have happened. I asked him if this would have happened if he would have just given up to the police. He said he did not know because he was scared. He said he knew ██████████ had told the police he had a gun.

I asked Francisco if he had any questions of me. He asked me if I thought the police officer should have fired. I told him that I could not give him an answer because I did not know all of the details related to this investigation. Francisco said the police officer could have shot him in the leg. what he (Francisco) was thinking when he turned to face the officer. He said he and the officer were not face-to-face when the officer shot him. I told him that I did not understand what he was thinking because he did not drop to the ground to give himself up. I told him this was the reason why I was asking him all the questions.

Francisco said he thinks the officer had a grudge against him since he might have been the officer who worked on his prior case. Francisco said he did not want this to happen, but everything happened in a matter of seconds. He also said that if he had been able to pick up all of the children at the park, none of this would have happened.

I did not have any more questions for Francisco, so I concluded my interview with him. Francisco was very cooperative with me during my interview with him. He was awake and able to understand the questions I asked him. He was able to answer my questions with clear and understandable answers.

No further details.

Interview

Francisco Javier Arevalo (DOB: [REDACTED])

On 2-21-03, Detective Mesa and I were directed to respond to the Ventura County Medical Center to attempt to interview Francisco Arevalo and Francisco's family members. At about 2215 hours, I set a tape recorder next to Francisco's bed to record any spontaneous statements that Francisco might make. I noticed that the hospital staff questioned Francisco about his health needs in both English and Spanish when they spoke to him. I noticed Francisco was able to give responses to their questions, showing he understood some English.

I asked Francisco in Spanish to give me his date of birth and he responded by saying, "[REDACTED]" Francisco admitted to me that he understood some English.

At about 2230 hours, Detective Mesa attempted to interview Francisco and Francisco declined to give a statement. Refer to Detective Mesa's report, same RB#, for additional information.

I turned the tape off at about 2240 hours. I later gave the cassette tape containing the information listed above to Sergeant Kelley.

On 07-09-02, at about 1715 hours, I received a radio call of a domestic violence report at [REDACTED]. I arrived and contacted the Victim [REDACTED]. [REDACTED] told me the following.

She and S-1 Francisco Arevalo are married and have three children together. She had a restraining order filed against Arevalo due to a prior domestic incident. She and Arevalo were at their residence where Arevalo was supposed to be getting his belongings and leaving the residence per the restraining order. Arevalo refused to leave.

They began to argue. When Arevalo refused to leave, she attempted to leave. Arevalo slammed the front door shut and threw her against the wall. Arevalo reached into a small ice chest and grabbed a handgun. She described the handgun as a silver revolver. Arevalo began to load the revolver. As Arevalo loaded the gun he pointed at her and said, "It's time for both of us to die." She got up from the ground and attempted to grab the gun. Arevalo snatched the gun away from her and threw her to the ground a second time. She got up from the ground and attempted to leave the house. Arevalo grabbed her by the hair and shirt and began dragging her outside. Once outside, she broke away from Arevalo, ran inside the house and locked the door. Once inside the house, she called the Sheriff's Department. She heard Arevalo get into his car and drive away in an unknown direction.

When she attempted to grab the handgun, she sustained a two-inch laceration to the palm of her left hand.

As I was speaking with [REDACTED] I observed a laceration to her left hand, and a three-inch scratch on her neck. [REDACTED] said she sustained the scratch on her neck during the altercation. [REDACTED] refused medical attention. [REDACTED] told me she would seek medical attention on her own. I asked [REDACTED] if she knew where Arevalo would go. [REDACTED] did not know where Arevalo would go. [REDACTED] told me that Arevalo was driving a green Ford Explorer. [REDACTED] did not know the license plate number. [REDACTED] also told me that Arevalo works at McPherson Plaster on Leland Ave. near Johnson Dr. [REDACTED] told me that she was going to stay at a friend's house for the evening.

I took photographs of [REDACTED]'s injuries. [REDACTED] said she already had a domestic violence pamphlet from a prior domestic incident. I waited while [REDACTED] gathered her belongings and left the residence.

I went to Arevalo's work in an effort to arrest him for the incident. I was unable to locate Arevalo.

[REDACTED] called the Sheriff's Department at 1830 hours. I contacted [REDACTED] a second time on Nardo St. [REDACTED] told me she believed that Arevalo was going to

On 7-10-02, at 0900 hours, I was reviewing the daily reports at the Headquarters station. I reviewed a domestic violence incident involving the victim, [REDACTED] [REDACTED]. The suspect, Francisco Arevalo, is her husband and he was still outstanding. At about 1000 hours, Cadet [REDACTED] advised me that Arevalo was at the front counter at the Headquarters station.

I contacted Arevalo at the front counter. Arevalo spoke very little English. I was advised by a family relative that Arevalo wanted to speak with the police about the incident with his wife because he knew the police were looking for him.

I escorted Arevalo into an interview room and told him that I would find someone to translate Spanish for me in order to conduct an interview. Arevalo told me that he understood. I contacted Deputy McGrath (3357) and had him assist me with the interview.

McGrath conducted the entire interview in Spanish while I took notes and told McGrath what questions to ask. McGrath would relay Arevalo's answers to me. McGrath told Arevalo that he was under arrest and advised him what the charges were. McGrath read Arevalo his Miranda rights which Arevalo chose to waive. The following is a brief synopsis of the tape-recorded interview:

Arevalo was in court on 7-9-02, at about 1500 hours, reference a domestic incident with his wife, Eva [REDACTED]. Per a court ordered restraining order Arevalo was to go to the residence at [REDACTED] and obtain his personal property that he needed. Arevalo was at the residence about 1700 hours retrieving his property when [REDACTED] arrived at the location.

Arevalo and [REDACTED] began arguing. [REDACTED] was yelling at Arevalo to leave the residence. Arevalo picked up a small ice cooler. He then reached into the cooler and removed his .22-caliber semiautomatic pistol. At some point one bullet fell onto the ground. [REDACTED] began screaming at Arevalo and reached towards the gun to grab it.

Arevalo pointed the gun straight up towards the ceiling. Arevalo pushed [REDACTED] away from him as she attempted to reach for the gun. Arevalo described the push as a stiff-arm motion off to the side to create distance between himself and [REDACTED]. Arevalo then placed the gun into the front of his waistband of his pants.

Arevalo continuously denied any physical contact with [REDACTED] besides pushing her aside when she reached for the gun. Arevalo also denied ever loading the gun or making any statement to [REDACTED] about killing [REDACTED] or himself.

Arevalo said he bought the gun from an unknown subject in Saticoy about one month ago. Arevalo told us that he left the residence after the dispute with [REDACTED]. He was very upset and was crying. He got on highway 126 Westbound from Wells Road. At some point between Victoria Avenue and Main Street, he pulled over to the shoulder and stopped. He rolled down the passenger side window and threw the gun out. He did not see where the gun landed. Arevalo then left the area.

Relatives advised Arevalo that the police were looking for him. That is why he came to the police station to talk with us. The interview was terminated. The cassette tape was retained as evidence.

Deputy Reynoso and I asked Arevalo if he would go with us to locate the gun so that the gun did not end up in the hands of the wrong person including children. Arevalo agreed to assist us. We drove to the area where Arevalo told us that he threw the gun away. We searched the area thoroughly with the direction of Arevalo with negative results. Later Cadets Cook and Chase responded to the area at my direction to search for the gun. They also did not locate the gun.

I escorted Arevalo to the main jail where he was booked for 422PC, 273.5 PC, and 417(a)(2) PC.

On 7-31-2002, at approximately 1500 hours, Deputy Frank and I responded to a violation of a court order call, at the West County Patrol counter.

Upon our arrival, we contacted V- [redacted] and W- [redacted]. [redacted] told us the following: At 1400 hours, today's date, [redacted] was at her residence gathering some clothes in preparation of going to work. While [redacted] was gathering her clothes, [redacted] was waiting in the driver's seat of his vehicle, which was parked in the street, in front of [redacted] residence. ([redacted] are co-workers at Ralph's Supermarket) When [redacted] returned to [redacted] vehicle, she entered the passenger side of the vehicle and observed her estranged husband driving an early 80's green Ford Thunderbird. [redacted] estranged husband, S-Francisco Arevalo, parked his vehicle at an angle, directly in front of [redacted] vehicle, preventing [redacted] from moving forward in his vehicle.

Francisco, then exited his vehicle, approached the driver's side of [redacted] vehicle, and attempted to open the driver's side door. Prior to Francisco's approach, [redacted] locked all the doors. [redacted] stated that as Francisco tried to open the driver's side door with his right hand, Francisco kept his left hand behind his back as if he were hiding something. Francisco never made any verbal comments towards [redacted] however [redacted] stated that Francisco appeared to be very upset. Neither [redacted] were able to see what Francisco was hiding behind his back. [redacted] then was able to back the car up and drive away from Francisco. [redacted] drove his car to the stoplight at Wells and Telephone Road. [redacted] stopped for the red light and was waiting to turn left onto Telephone Road, from the number two turn lane. [redacted] looked over her shoulder and noticed Francisco's vehicle stopped directly behind [redacted] vehicle. Francisco was attempting to exit his vehicle when the light suddenly turned green, so [redacted] accelerated his vehicle forward and turned left onto Telephone Road.

Francisco followed in his vehicle at approximately 40-50 miles per hour. [redacted] stated that Francisco's vehicle was only 4-5 inches away from [redacted] vehicle, while both vehicles were travelling at 40-50 miles per hour. [redacted] both feared that Francisco was going to ram their vehicle, because he was driving so closely behind them. [redacted] approached a solid red light, at Telephone and Saticoy Ave, and stopped for that light. Francisco drove his vehicle onto the right shoulder and while passing the passenger side of [redacted] vehicle, he made some motions with his hands in [redacted] direction. Francisco then drove his car through the solid red light and continued driving westbound on Telephone.

[redacted] then called 911 on her cell phone and she was advised to contact the Sheriff's Department.

[redacted] statement was the same as [redacted] statement. Both statements were recorded and booked into the West County Crime Lab, as evidence.

**WHAT FORMS YOU SHOULD FILE IN RESPONSE AND WHEN TO FILE THEM**

You do not have to pay any fee to file responsive declarations in response to this Order to Show Cause (including a completed *Income and Expense Declaration* or *Financial Statement (Simplified)* that will show your finances). The original of the *Responsive Declaration* must be filed with the court and a copy served on the other party at least ten court days before the hearing date (unless the judge has shortened time; see Item 13 above in this *Order to Show Cause and Temporary Restraining Order*).

**NOTICE REGARDING CHILD SUPPORT**

If you have children from this relationship, the court is required to order payment of child support based on the income of both parents. The amount of child support may be large and normally continues until the child is 18. You should supply the court with information about your finances. Otherwise the child support order will be made without your input.

**NOTICE REGARDING ENFORCEMENT OF THIS ORDER**

This order is effective when made. It is enforceable anywhere in California by any law enforcement agency that has received the order, is shown a copy of the order, or has verified its existence on the California Law Enforcement Telecommunications System (CLETS). If proof of service on the restrained person has not been received, and the restrained person was not present at the court hearing, the law enforcement agency shall advise the restrained person of the terms of the order and then shall enforce it.

Violation of this restraining order may be punished as a contempt of court; a misdemeanor, punishable by one year in jail, or a \$1,000 fine, or both; or a felony. Taking or concealing a child in violation of this order may be a felony and punishable by confinement in state prison, a fine, or both.

This order is enforceable in all 50 states, the District of Columbia, all tribal lands, and all U.S. territories and shall be enforced as if it were an order of that jurisdiction. Violations of this order are subject to state and federal criminal penalties.

If you travel across state or tribal boundaries with the intent to violate the order (including committing a crime of violence causing bodily injury), you may be convicted of a federal offense under VAWA (section 2261(a)(1)). You may also be convicted of a federal offense if you cause the protected person to cross a state or tribal boundary for this purpose (section 2262(a)(2)).

**NOTICE REGARDING FIREARMS**

Any person subject to a restraining order is prohibited from owning, possessing, purchasing or attempting to purchase, receiving or attempting to receive, or otherwise obtaining a firearm. Such conduct is subject to a \$1,000 fine and imprisonment. At the hearing on this matter, the court will order that the person subject to these orders shall relinquish any firearms and not own or possess or purchase or receive or attempt to purchase or receive any firearms during the period of the restraining order. Under federal law, the issuance of a restraining order after hearing will generally prohibit the restrained person from owning, accepting, transporting, or possessing firearms or ammunition. A violation of this prohibition is a separate federal crime.

**Prohibited Persons Notice Form and  
Power of Attorney for Firearms and Disposal**  
Penal Code Section 12021(d)(2)

Penal Code (PC) Sections 12021(d)(1) and 12021.1 and Sections 8100 or 8103 of the Welfare and Institutions Code state any person who has been convicted of a felony, certain misdemeanors, certain firearms offenses, who is addicted to narcotics, who is the subject of a domestic violence restraining order, or has been committed to a mental institution pursuant to Welfare and Institutions Code section 8100, may not possess or have under his or her control any firearm. Certain federal statutes impose lifetime and other more restrictive prohibitions on firearm possession. Please refer to the accompanying document entitled "State of California Firearms Prohibiting Categories."

*Note: Specific procedures exist to allow persons prohibited from possessing firearms to seek relief from the prohibition pursuant to PC Section 12021 and Welfare & Institutions Code section 8103 (f)(5) and (g)(4). It should be noted that federal firearm prohibitions might be more restrictive than California prohibitions and that in many instances may also require a governor's pardon. If a person is granted relief from prohibition from a California court, the person may still be prohibited under federal law. Persons falling in this category must be granted relief from firearm prohibition by the federal courts before they may again possess firearms in California.*

To be effective immediately upon occurrence of the prohibiting event: conviction, restraining order etc., any person who becomes prohibited from possessing firearms under California or federal statutes may not control, possess, or have access to any firearms. Prohibited persons must immediately designate a third party person (who is not prohibited from possessing firearms) to transfer or dispose any and all firearms by completing the Power of Attorney section on the reverse side of this form. **Failure to immediately transfer or dispose of firearms may subject a person to criminal prosecution.** The designated person (identified in the Power of Attorney form) must carry out one of the following actions within 30 days:

- Sell the firearm(s) to a California licensed firearm dealer;
- Sell or transfer the firearm(s) to another person who is not prohibited from possessing firearms (this transfer must be performed through a California licensed firearm dealer). Such a transfer may be temporary based on agreement of the parties and until such time that a non-lifetime prohibition ends;
- If the prohibition is 30 days or less, the designee may possess the firearm for the duration or transfer it to a person who is not prohibited from possessing firearms for a period of no more than 30 days;
- Surrender the firearm(s) to a California law enforcement agency for the purpose of destruction.
- If the firearm(s) is an assault weapon as defined under PC Sections 12276, 12276.5, or 12276.5, and is registered pursuant to PC Section 12285, the designee must sell it to a licensed assault weapon dealer or relinquish it to a law enforcement agency. To obtain a list of DOJ permitted assault weapon dealers in your area, contact the Firearms Division at (916) 227-3696. If the firearm(s) is an unregistered assault weapon it must be relinquished to a law enforcement agency.

On June 29, 2002, around 8:30pm my husband Javier saw me talking on the phone and asked me who I was talking to. I told him (my friend) [REDACTED] and walked away. Javier took the phone from [REDACTED] and walked into the bedroom. I picked up the other phone to call my friend [REDACTED]. Javier saw me and again asked me who I was talking to. I again told him my friend [REDACTED]. After hanging up the phone, I went into the bedroom, and saw he was trying to call the number back. I asked him to give me the phone and he said no. I tried to take the phone, at which time he pushed me onto the bed and lunged at me and started choking me. I tried pushing him off and starting yelling "get off of me." He then got off and went outside. Later that evening I started looking for my cell phone and noticed all the phones were off the wall. I saw Javier standing in the doorway with all the phones in his possession. I then asked him for my cell phone, he said that he threw it and broke it. I tried to get a phone from his possession, at which time he grabbed the front of my sweatshirt, stratched my neck and pushed me away. He then left the house for about 5 min. When he returned I didn't want to stay, so I walked to my mother's house which is 2 blocks away and called my friend [REDACTED] to pick me up and I spent the night at her house. On Tuesday, the following day around 6pm, I called my friend [REDACTED] to pick me up and Javier told me, that if I go, I'll see what happens to me. I left anyway. When I returned he sent the kids to their rooms, he said he was going to take me to the store, I said no, why do you want to take me to the store? Javier said "I'm going to take you to hell." I then went to the back room and I slept with my kids. On Thursday around 9pm I dropped the 2 boys off in Santa Paula to spend the night at my grandmother's. I then went home to

On 7-31-2002, at approximately 1500 hours, I handled a violation of a court order call, (273.6(a) PC) at the West County Patrol counter. At that time, I talked to the Victim, [REDACTED] Morua and the witness to the violation, [REDACTED] [REDACTED]. Both [REDACTED] and [REDACTED] described the vehicle used by the suspect, Francisco Arevalo as a green Ford Thunderbird. [REDACTED] also told me that her estranged husband, Francisco Arevalo worked at McPherson's Plastering, which is located at 3400 Ventura Road, in the city of Ventura.

For the past several days, I have been trying to locate the suspect in this call, so I could arrest him for the above listed offense. I have attempted to locate him at his place of employment, as well as his current residence on Peninsula Road, in Oxnard.

Today, at approximately 1700 hours, I went to S-Francisco's place of employment and observed him getting into the driver's seat of a green Ford Thunderbird. The Ford Thunderbird was parked on the roadway just outside of McPherson's Plastering. I recognized Francisco from a booking photograph that I had in my possession. I contacted Francisco and arrested him on the above listed charge.

Francisco was transported to the Headquarters' interview rooms, where he was read his rights per Miranda. Francisco refused to waive his rights and stated that he wanted to talk to his attorney.

Francisco was transported to the Main Jail, where he was booked for 273.6(a) PC, without incident.

Refer to the original narrative report for additional details.

**Collection of Suspect's Blood Sample from VCMC**

On February 22<sup>nd</sup> 2003 at approximately 0105 hours, I contacted Sergeant Kelley and advised him that we had concluded our interviews with Francisco Arevalo's family members. Sergeant Kelley asked me to obtain a blood sample from Francisco, which would be used for analysis by our crime lab. I advised Sergeant Kelley that I would contact one of the nurses in the emergency room and attempt to obtain a blood sample from Francisco.

I spoke with Nurse [REDACTED] and asked her if it would be possible to obtain a blood sample from Francisco. Nurse [REDACTED] advised me that she could draw a blood sample from Francisco, but it would not be an accurate sample for future testing. Nurse [REDACTED] advised me that Francisco had received two or more pints of donor blood, after he arrived in the emergency room for treatment of his injuries.

Nurse [REDACTED] suggested that I contact their lab personnel, to see if they still had any of the blood sample that was drawn from Francisco when he arrived at the hospital. I asked Nurse [REDACTED] if she could provide me with the results of the drug/alcohol screening tests on Francisco's blood sample. This sample was drawn by the one of the emergency room nurses at approximately 2115 hours. Nurse [REDACTED] provided me with a three-page printout of their lab's results on Francisco's blood sample.

At approximately 0119 hours, Detective McGrath and I contacted Medical Technician [REDACTED] at the VCMC HCA Laboratory. I introduced myself to [REDACTED] and advised him that Detective McGrath and I were detectives with the Ventura County Sheriff's Department.

I asked [REDACTED] if he had a remaining quantity of the blood sample, which was taken from Francisco in the emergency room. [REDACTED] provided us with a glass vial that contained a portion of the blood sample that was drawn from Francisco at approximately 2115 hours. I told [REDACTED] that the blood sample in the vial, did not look like those that we typically see when a nurse in the emergency room draws a sample. [REDACTED] advised me that the sample looked different because it had been "spun and separated."

Detective McGrath and I took possession of Francisco's blood sample and booked it into the refrigerated evidence lockers at the West County Property Room/Crime Lab.

End of narrative.

On 02/21/03 I responded to Saticoy Park to assist in the investigation of an "Officer Involved Shooting". When I arrived I was assigned the task of the inventory of (A) Francisco Arevalo's vehicle.

B.I. Sheriff Service Technician (SST) [REDACTED] and myself went to the termination of the pursuit. When we arrived we saw that Arevalo's vehicle was crashed into the gate in front of the residence of 1257 Amapola Street.

The vehicle was inventoried and towed pursuant to 22651(h) CVC. SST [REDACTED] and I followed the tow truck to the Ventura County Crime Lab where the vehicle was left to be processed. SST [REDACTED] sealed the vehicle.

Upon completion of the securing of the vehicle, SST [REDACTED] and I went to the Headquarters Station. SST [REDACTED] then took possession of Deputy Jeff Long's firearm and magazines. There was four magazines in Long's magazine pouch and one in his firearm. I followed SST [REDACTED] to the crime lab where he secured the property.

I arrived at Ventura County Medical Center at approximately 2200 hours. I took overall photos of the suspect with close up photos of a bullet wound on his right shoulder. I collected the suspect's belt and received a cassette tape from Deputy McConville # 3419. I was unable to collect the rest of the suspect's clothing at the time because it was underneath him and he could not be moved. I received the clothing later that night from Deputy Chips # 3392.

I arrived at Saticoy Park at approximately 2230 hours. I took overall photos of the scene and the surrounding area. I also filmed a video of the scene. Photo markers were placed and more overall photos were taken. I took a close up photo of each item. Ninety three pictures were downloaded into the Sheriff's Department digital photo archives.

also placed photograph markers next to the items identified as evidence and took close-up photographs of each item. These items were later collected and booked as evidence at the Ventura County Crime Laboratory.

Saticoy Park is located in a residential area within the Saticoy residential community. This residential area is located east of SR 118 and south of SR 126. The park is located north of Violeta Street. Aster Street intersects with the park on the west and east sides. There is a large steel gate at each of these intersections which block vehicle traffic into the park. There was also yellow sheriff's crime scene tape that was extended around the park.

Poinsettia Gardens Drive is located to the north of the park but does not connect or intersect with the park. There is a mobile home park between Poinsettia Gardens Drive and Saticoy Park. The park is a rectangular shape with one corner pointing in a northern direction and the others pointing east, south, and west. There are residential homes located on the north/ east, north/ west, south/ east, and south/ west sides of the park.

The entrance to the park is located on the east corner. There is a small driveway that leads to the entrance and then to an asphalt parking lot. This parking lot extends from the east corner entrance to the south corner where the exit is located. There is a six-foot wooden fence that separates the parking lot and the residential homes on Violeta Street. This fence also runs from the entrance to the exit of the park.

As you enter the park, there is a single cabled fence that separates the parking lot from the rest of the park. This fence is only about 4' high. There is a baseball field directly to the right (north/ west). Home plate is located at the north corner; left field on the east corner, right field on the west corner, and center field extends to the south, out towards the center of the park. Behind home plate there is a small building that appears to be a clubhouse or snack bar. Along the right and left fields there are metal bleachers and fenced dugouts. These areas are accessible to pedestrians and the only fences are the protective fences between these areas and the playing field. In the outfield there are two small goals made of PVC tubing. One goal is located where center and left field meet. The second goal is positioned along the right field foul line. There is yellow sheriff's crime scene tape surrounding the playing field and a small area located north/ west of right field.

There are several large and very bright field lights located around the baseball field. These lights are bright enough that they illuminated the playing field as well as the rest of the park. Because of these lights, visibility was very clear and you could see from one end of the park to the other. The weather was clear, but very cool, no breeze. The grass appeared recently cut because there were grass trimmings on the grass that were still green. There was also visible moisture on the grass.

The south/ west, north/ west, and north/ east sides of the park are surrounded by chain link fence. The only exceptions are the steel gates located on the north/ east and south/ west sides of the park where Aster Street intersects with the park.

Along the north/ west side of the park there is also a brick wall between the chain link fence and the mobile homes on the other side.

There is also a tall chain link fence that separates the outfield from the rest of the park. This fence extends to the west and east up to the foul line. At those points the outfield fence ends leaving an opening between it and the fence surrounding the park on the north/ east and north/ west sides. These openings span a distance of about 25' to 30'. There is no barricade or fence blocking or restricting access through these areas.

Directly behind center field, there is a mobile office building with a sign identifying it as the Boys and Girls Club Saticoy Branch. The numbers "11321" are visible on the east side of the trailer in black metal digits. The doors to the office were closed and there did not appear to be any light on inside the building.

About 20' to the south of the mobile office there is an asphalt basketball court. To the south of the basketball court there is a large circular sandy play area with a large children's play structure in the center.

To the north/ west of the basketball court there is another sandy play area. This play area contained a large swing set. To the west of this swing set there is an area that has several covered picnic tables. There is also a large brick barbecue. Located to the north/ west from this area there is another large circular play structure. This play structure is further described as a climbing structure in the shape of a half sphere. This structure is located about 10' behind the right field fence.

There are also several tall palm trees located within the park. The trees are scattered along the south/ west side of the park and along the west and north/ west sides of the park.

In an area located about 25' to 30' north of the right field fence and about 15' north/ west of the foul line or end the end of the right field fence, there were several items laying on top of the grass. This area was surrounded with yellow sheriff's crime scene tape and a deputy was standing by the exterior guarding this scene.

Some of the items found in this area were identified as belonging to the suspect in this case. The following items were found, identified, and marked with photograph markers within a 3' to 4' diameter.

Item #11) Opened medical supply package.

Item #6 was found about 4' to the north of the other items. It is described as an unknown object wrapped tightly in a black plastic wrapping. This object is about 10" long and about 2" wide". There was also another part that extended down from this piece that appears to be a handle of some sort. There was a bloodstain on the side of this item.

█████s later opened item #6 to determine what was inside. I had █████ use a razor blade and cut the tip of the object instead of untying the wrapping. █████ opened the package and partially removed the item inside. The item was a rear view mirror that was wrapped inside a white cloth. The mirror was black and had a bracket attached to the back of the mirror that gave it the shape of a "T". This bracket is used to attach the mirror to the windshield.

I searched for the expended shell casing from the shot that was fired by Deputy Long, but I was not able to visually find it. █████ used a metal detector while Detective Barrios, Sgt. Kelley and I did another visual search. Detective Barrios located the expended casing. The casing was found about 2' east of item #8 and is consistent with the type of ammunition issued by the Ventura County Sheriff's Department to sworn personnel. The casing was marked as item #12 and it was also photographed.

█████ measured all the evidence prior to it being collected. Sgt. Kelley, Detective Barrios, █████ and I then collected the evidence. The evidence was released to █████ who transported it to the Ventura County Crime Laboratory

I also responded to a scene at Amapola Avenue south/ east of Violeta Street. This was the location where the suspect, identified as Fernando Arevalo, crashed the vehicle he was driving while he was being pursued by the Ventura Police Department.

The vehicle is described as a 1993 Ford Explorer. The vehicle was green and had a California license plate number of "[REDACTED]". The vehicle had collided with a wooden fence located on the north corner of the residence located at 1257 Amapola Avenue. The vehicle had moderate front-end damage while the fence had sustained extensive damage. Field Evidence Technician I. [REDACTED] took photographs of the scene and vehicle. Deputy J. Benavides searched the vehicle and did not find any items of contraband. The vehicle was towed from the location and transported to the Ventura County Crime Laboratory and parked behind the facility. The vehicle was then locked and sealed as evidence.

At 0345 hours, we completed the crime scene investigation. I then left the location. No further details.
